VIGIL FOR VICTIMS OF UNDERAGE SEX TRAFFICKING

WWW.EXPOSEPLANNEDPARENTHOOD.COM

FACTS: Planned Parenthood is aiding and abetting underage sex trafficking with YOUR tax dollars and is unsafe for women and girls

- For the last two weeks, the national media has been abuzz with the shocking story of the undercover sting operation that caught abortion giant Planned Parenthood red-handed in the despicable act of aiding and abetting sex trafficking and prostitution of girls as young as 14. (See dozens of the latest news reports at: <http://www.exposeplannedparenthood.com/news>)
- Numerous undercover videos have now been released, documenting Planned Parenthood workers at multiple locations across several states assuring an undercover investigator posing as a pimp that the organization would secretly provide abortions and other services to underage victims of human trafficking, facilitating their exploitation. (See: <http://www.youtube.com/LiveActionFilms>)
- Federal law is clear: "Sex trafficking of minors is a federal crime and punishable by imprisonment for 10 years to life." (18 U.S. Code 1591) Additionally, "any person who aids abets, or counsels a federal crime to be committed may be punished as if they had committed the crime themselves." (18 U.S. Code 2) (For more information, see: <http://www.justice.gov/criminal/ceos/trafficking.html>)
- According to Planned Parenthood's latest annual report, the organization took in a record \$363 MILLION in taxpayer funding during its last fiscal year. As if that wasn't enough, Planned Parenthood's national president Cecile Richards then had the audacity to send out an urgent appeal for abortion advocates to contact Congress -- so the organization can rake in even MORE of your hard-earned tax dollars! (See: http://www.plannedparenthood.org/files/AR08_vFinal.pdf; additional citation from "Stand with Planned Parenthood" e-mail alert from Cecile Richards, 2/1/11)

As you stand vigil today, remember ...

1. This is a vigil, not a confrontation. Stay in the public right of way, obey directives from law enforcement officers, and remain peaceful and prayerful at all times
2. If any media outlets come out to your vigil and ask questions, simply give them this sheet which clearly explains why people are holding vigils outside Planned Parenthood offices coast-to-coast today
3. The most important thing you can do today is call your U.S. Representative and two U.S. Senators and tell them: **"No More Tax Dollars for Planned Parenthood!"**
